Re: Our File 582-736 Mexico PM #562

Dear Bill:

To confirm our telephone conference of today, I enclose a photoprint copy of the agent's letter reporting an Official Action as well as his proposals for amendment.

Pursuant to your instructions, we will authorize response submitting the claims of the United States case as allowed with the alternative instructions to the Mexican agents (which information was confirmed to them on the telephone today). If such instructions are not received, then they are to file the response as proposed by them.

Very truly yours,

George J. Brandt, Jr.
